

risk on mind® is a young consulting company, dealing with operational risk management of industrial plants. To support the management, we are looking for a

Report Designer m/w/x Parttime/Fulltime

Your Tasks

- Creation of reports in the Telerik Report Designer
- Ongoing development of our report standard
- Creation of database queries as a basis for the reports in cooperation with the development team
- Supporting the management in the preparation of marketing documents and presentations

Your Profile

- Good eye for design and style
- First professional experience
- Ideally experience in creating reports (e.g. in MSAccess, Crystal, JasperReports etc.)
- Experience with SQL to create queries from databases
- Ideally experience in web design
- Independent and accurate way of working
- Professional, friendly and solution-oriented appearance
- Very good spelling and MS Office skills
- Very good written and spoken language skills (German and English)

Your Working Environment

You can expect a varied, international working environment in the midst of state-of-the-art technologies related to risk management & IT. At risk on mind® committed employees have the opportunity to develop and grow rapidly.

Opportunities

- Performance-related pay
- Individual further training
- Workplace with excellent public transport connections in the center of Vienna (Schwedenplatz)
- Possibility for remote working
- Great team, team building events and reliable employer

We offer a versatile and challenging job alongside experts with a wide range of opportunities for promotion and further development. The monthly gross salary on a full-time basis is € 2,635 gross, depending on experience a corresponding overpayment is possible.

Interested? We look forward to receiving your application!

Please send us your application documents (curriculum vitae incl. picture, cover letter, references), stating your salary expectations and the earliest possible starting date, exclusively by email to
